Love Letters by A.R. Gurney – **Performed in english** – traces the life-long correspondence between two friends: lawyer Andrew Makepeace Ladd III and artist Melissa Gardner. This unique and imaginative theatre piece premiered in 1989 and has been performed all around the world. Told with civility, elegance, humour and passion, it follows a forty-year friendship of two very different, but forever connected lives.

De l'enfance à l'âge mûr, un homme et une femme que tout sépare s'écrivent, liés par quelque affinité secrète. Et si c'était l'Amour...
