AFI PROJECT: 20/20 is an American Film Institute (AFI) project, supported by a partnership of the National Endowment for the Arts (NEA), National Endowment for the Humanities (NEH), Institute of Museum and Library Services (IMLS), and the President's Committee on the Arts and the Humanities. Drawing on the joint resources and expertise of these partners, AFI PROJECT: 20/20 connects audiences in the U.S. and abroad with American and International artists through one of America's most popular art forms, movies. We are pleased to join AFI PROJECT 20/20 in presenting these two films here at UNESCO.
