CALL FOR PUBLIC IMAGES

IMAGES TO CONNECT!

**FROM MAY 20TH TO JUNE 20TH 2020,
PARTICIPATE IN OUR CALL FOR PUBLIC
IMAGES AND CONTRIBUTE TO OUR 50TH
ANNIVERSARY SPECIAL EXHIBITION.**

Has physical distancing and isolation changed the way you view yourself, the world around you, your community and your country?

The Canadian Cultural Centre in Paris is celebrating its 50th anniversary this year. For half a century, we have been inviting our French friends to Canada through a unique cultural programme focused on the diversity and vitality of our artistic voices.

For our anniversary, you're invited to contribute to our fall exhibition!

Starting in September and for one month, the Canadian Cultural Centre's art gallery and website will host a photography exhibition titled *Image... sent / Image... envoyée*. You could have the chance to be part of this exhibition alongside renowned Canadian artists who are part of the Centre's history.

At a time where the virtual world is transforming our relationship to reality, this title evokes our new ways of communicating through messages and images sent through our phones and computers.

Grab your cell phone and send us a picture through our social networks or by e-mail, like a message across the Atlantic Ocean.

If physical distance is, in this period, necessary, so is social closeness. In our world that has changed so profoundly and so fast, we want to show, through your lens, the new ways we look at it. Whether you are French or Canadian, we want you to share with us your personal vision of tomorrow's world, your community, your country.

ARE YOU IN CANADA? SEND US ONE IMAGE, JUST ONE, TO LET OUR FRIENDS IN FRANCE DISCOVER YOUR UNIVERSE IN CANADA.

ARE YOU IN FRANCE? OFFER CANADIANS A JOURNEY INTO YOUR UNIVERSE IN FRANCE. SEND US ONE IMAGE, JUST ONE, THAT CAPTURES WHAT YOU WANT TO SHOW CANADIANS ABOUT WHAT SURROUNDS YOU.
